

Instructions

Date 2 0 2 3 / 0 9 / 2 0

It is essential to indicate the date. For game validation the roster sheets are collected and having the date helps sorting them out.

A - Mayors

GREEN

The first column indicates if the **player** or **goalie** is participating in the game. To make sure you account for everybody, check the boxes, don't let them empty by default AND DON'T USE CONFLICTING SIGNS for playing and non-playing individuals.

Goalkeeper

<input checked="" type="checkbox"/>	30	Tim	Thomas
<input type="checkbox"/>		JW	Blanchet
<input type="checkbox"/>		Joseph	Martin
<input type="checkbox"/>			
<input type="checkbox"/>			

Goalkeepers and skaters are now in separate sections each with its spares, to make it more obvious for scorekeepers.

Skaters

<input checked="" type="checkbox"/>	4	Bob	Birnie
<input type="checkbox"/>	7	Charles	Barnes
<input checked="" type="checkbox"/>	12	David	Beck
<input type="checkbox"/>	14	Ernest	Bélair
<input checked="" type="checkbox"/>	17	John	Belvedere
<input type="checkbox"/>	23	Malcolm	Knox
<input checked="" type="checkbox"/>	24	Maurice	Arpin
<input checked="" type="checkbox"/>	26	Morris	Trudeau
<input checked="" type="checkbox"/>	37	Olive	Urquart
<input type="checkbox"/>	41	William	McMurchie
<input type="checkbox"/>		Delphis	Blondin
<input type="checkbox"/>		Ambroise	Cartier
<input checked="" type="checkbox"/>	13	Alex	Dubé
<input type="checkbox"/>		Aldéric	Lesage
<input type="checkbox"/>		David	Mahaffey
<input checked="" type="checkbox"/>	18	John Thompson	McBride
<input type="checkbox"/>		Chas	Meakins
<input type="checkbox"/>		George	Milne

<input type="checkbox"/>			
<input type="checkbox"/>			
<input type="checkbox"/>			

The second column is used to enter the jersey number worn by the player. The goalie usually has a jersey number too, enter it, it's not enough to just identify him as the « guy with the big pads ».

If a player temporarily changes jersey, please make it clear for the scorekeeper.

Spare **players** and **goalies** must also be checked to play and have a jersey number. NO BLANK! Write legibly so the scorekeeper can distinguish 4 from 7 or 9, etc.

Goalies (including regulars) sometimes have their own extra large jersey without a number. Use 99 or 98 all season long, the same number for the same player.

If by chance a new spare is not written on the list, write it down extremely LEGIBLY. The scorekeeper must be able to understand what is the name.

Same for the number on the jersey.

At the end, count the number of checkmarks in the first column, it must exactly match the number of players on this game's roster, including the goalie. If not, correct as necessary.

A game involves numerous parts to work in harmony to make it successful. The roster you provide is an essential cog in the process, please do your utmost to keep the machine running smoothly.

The scorekeeper is not expected nor responsible to guess what is your complete roster. It's your job.
